

THE IVES

Private Events

The Ives is a contemporary American grill from Boka Restaurant Group within the landmark Chicago Athletic Association.

Chef Partner Chris Pandel (Swift & Sons Steakhouse, Cira, Swift Tavern, Zarella) and Chef Partner Brian Lockwood (Midōsuji, Gingie) have crafted an experiential menu inspired by the great supper clubs and chop houses of the Midwest. Named for Henry Ives Cobb—Chicago Athletic Association’s architect and founding member—The Ives is a culinary celebration of both the history and the bounty of the region.
